### Poppy Field

My sister-in-law has a garden full of poppy fields. It was inspired by a visit to North Carolina, where I was shopping off my own poppy seeds at college. The town of North Carolina grows poppy seeds along the southern side of the highway, which are sold in a variety of sizes. I was inspired to create a poppy field for the evening when I was back to home making dinner for the second time. I was inspired to create a poppy field for a special occasion.

YIELD: 1 BREAD | PREP TIME: 15 MIN | COOK TIME: 30 MIN

1 cup of poppy seeds	1/2 cup of olive oil
1/2 cup of sunflower seeds	1/2 cup of salt
1/2 cup of sesame seeds	1/2 cup of black pepper
1/2 cup of flax seeds	1/2 cup of red pepper
1/2 cup of pumpkin seeds	1/2 cup of white pepper
1/2 cup of sunflower seeds	1/2 cup of salt

#### Preparation

- Preheat the oven to 350°F (175°C).
- Preheat a pan of water to keep the bread warm.
- Add the bread to the pan of water to keep the bread warm.
- Place the bread on a plate and place it in the oven.

## NOW & THEN

A Collection of Recipes for Always

Tessa Kiros

If you are familiar with my books, you will see I haven't changed much. I don't know if our tastes do change much. Mine have evolved – swayed in a new direction with discoveries, sandwiched with things from my travels and our everyday needs. The cravings that pull me are essentially the same. Sour. Salty. Buckets of leafy greens, splashes of strong flavour. Colour and season. All still there. Mixed in today with ayurveda and the changing needs of family and friends. Less sugar. Less white flour. More fruit and veg (never a problem). Red meat once a week. Chicken once. Fish twice. The rest all plant based.

## SUNDAYS A cookbook Sophie Godwin

*Sundays: A cookbook* is full of laidback food that's absolutely packed with flavor. Sundays are special. Yes, sometimes we might feel like we're slowly dying because of the night before, yet even then, there's joy to be had in the ravenous hunger, copious carbs, and the legitimacy of binge-watching a TV show, especially if the weather is dreary. Other times, Sunday is about sharing, feasting with friends, BBQing, leisurely long lunches or brunches because it's the one day of the week when mealtimes are flexible. Or perhaps it's a Sunday reset, the self-love of a bath, book, and a big plate of greens.

## RECIPES FOR A LIFETIME OF BEAUTIFUL COOKING

Danielle Alvarez and Libby Travers

Danielle Alvarez is happiest in the kitchen, whether in restaurants like Chez Panisse, where she honed her craft, or at home, where she spends endless hours nurturing it. In *Recipes for a Lifetime of Beautiful Cooking*, Danielle's focus is the meals she prepares at home, and communicating the ways in which cooking is one of the simplest ways to create and share joy.

Her guiding philosophy in the kitchen (and life!) is abandon and restraint: applying that to individual recipes, and the bigger picture as shaped by the ebb and flow of weather, moods, time, budgets and tastes. In joyful collaboration with writer and friend Libby Travers, Danielle shares the ideas and techniques she has gleaned from years with great chefs and great producers, as well as gently emboldening readers to feel confident to play the daily cards they are dealt.
